ABOUT US

In 1959, spearheaded by several dedicated members of the AHEPA family, the dream of a scholarship program was realized. Members of the AHEPA family were given piggy banks and asked to save a penny a day. Thus, the program became known as the Piggy Bank Fund; a term still in use today.

In 1963 the Scholarship Fund began awarding scholarships from the income generated each year from these donations. As the fund continued to grow, the decision to incorporate was made in 1972.

In 1995, to better reflect our tax-exempt status, the corporation's name was changed to *El Camino Real District 20 AHEPA Scholarship Foundation*. As a tax-exempt foundation, the number of scholarships awarded is based upon the amount of interest derived from investments. The AHEPA Scholarship Foundation takes the stewardship of investments very seriously. Investments are professionally managed in conservative financial investments. The foundation's goal is to be able to provide a scholarship for all qualified applicants.

Perpetual scholarship funds are established when a donor, or group of donors, deposits cash or securities with the AHEPA Scholarship Foundation.

HOW TO APPLY FOR SCHOLARSHIPS

Every fall scholarship applications are distributed to AHEPA family members. Applicants must be members of the AHEPA family or children of AHEPA family members. Those eligible to apply are graduating high school seniors and college/university undergraduates.

Scholarship applications are ranked by an outside evaluator. Scholarships are based primarily on scholastic merit. However, other achievements are also taken into consideration. Monetary awards are directly correlated to the rankings determined by the outside evaluator.

Recipients receive their awards in the summer at a Scholarship Award Luncheon that is held during the District Convention.
