Subject: Annual Report

As per your request, below is a synopsis of the verbal report I gave at the District Convention last week.

TriCity Chapter 454:

- 1) Established a Cultural / Scholarship Foundation.
- 2) Looking into purchasing land with Building Fund proceeds (Approximately \$40k). We entertained using the proceeds to establish an AHEPA House (a place where meetings can be held and members can mingle on a daily basis socially) but felt it needed more volunteers in order to properly run the establishment.
- 3) Added an additional fund raising function at the end of January which benefited the St. Katherine's Dance Troop when they went to the dance group competition.
- 4) Had successful OXI and Greek Independence Day affairs.
- 5) Maintained membership in excess of 100 members.

Tucson:

- 1) I visited the Tucson Chapter in April with the District members.

Paradise Valley Chapter:

- 1) Established some communication but need to plan a visitation. Their meetings conflict with another groups schedule that I have on a monthly basis.

I appreciate the vote of confidence in re-electing me the Warden again. I hope my schedule will allow me to become more active in the upcoming year. Looking forward to the 2004 - 2005 year!
